

2020 CONFAB AND LEGENDS BALL CANCELLED

After careful consultation with the CONFAB & Legends Ball planning committee regarding the health and safety of conference attendees, we have made the decision to cancel the 2020 CONFAB Conference and Legends Ball scheduled for June 5-6 in Raleigh, NC.

Following increased and overwhelming concerns about the COVID-19 virus, the committee feels this is the best way to proceed during such an unprecedented global situation. We believe it's the right decision based on the information currently available from both national and local health officials.

We thank everyone for your patience and understanding. Expect any further announcements and news to be communicated to you via email and available on www.shawunaa.com.
